An Influential Readership

We deliver the opinion leader!

WHY ARE OPINION LEADERS IMPORTANT TO YOU?

Because they are influentials—word-of-mouth leaders whose recommendations influence others to buy your products. Each influential opinion leader impacts 10 to 20 additional purchase decisions.

QUALITIES OF AN OPINION LEADER

Opinion leaders share the same qualities. They are:

- Well-educated.
- Thoughtful. They have a thirst for knowledge, shown by their continuing interest in education, both formal and through their own reading.
- Successful. They are affluent and have a comfortable lifestyle.
- Experienced. They have the maturity to help them distinguish between fad or future, and the perspective to know what's important in the long term.

WEIDER HISTORY'S OPINION LEADERS

WH's readers have the same four qualities:

- Educated. 68% have graduated college+, over 2½ times greater than the US population. 37% have a postgraduate degree, nearly five times higher than the US average! 60% are still taking or plan to take educational courses or degree programs in the coming year.
- Thoughtful. Our subscribers read/purchase an average of four books every three months; 37% of them read five or more, and 31% listen to audio books! And when it comes to our magazines, they spend an average of one hour and 48 minutes with each issue.
- Successful. WH readers have a median household income of \$101,973
- Experienced. Our subscribers' median age is 54.9 years.

**YOU'LL REACH OVER
2 MILLION INFLUENTIAL
READERS EACH MONTH
WITH WEIDER HISTORY!**

Devoted to Travel

Over one million Weider History readers plan to visit historical sites this year!

What are WH's nearly two million readers doing when they're not reading about historic events and locations?

VISITING THEM!

Our readers are more than twice as likely than the general population to travel for special events, and more than eight times as likely to visit national parks. But that's not all...

- 1.14 million of them plan to visit historical sites within the next year
- Over one million of them will visit museums
- 610,700 will travel to special events and reenactments

And last year 571,300 of them were influenced by ads in our magazines to visit specific historic sites and events.

Plus each one of our opinion leaders has the power to influence others to do the same.

Since 1987, Washington, DC has been the home of the Rolling Thunder Motorcycle Run, held over Memorial Day Weekend as a peaceful demonstration to bring awareness to the plight of prisoners of war (POW) and those missing in action (MIA).

Attracting visitors from all 50 states and over half a dozen countries, the Rolling Thunder Motorcycle Run is the largest annual gathering in the Washington, DC area and one of the world's largest events with a crowd nine times larger than the Super Bowl!

National History Day (NHD) is a highly regarded academic program for elementary and secondary school students. Each year, more than half a million students, nationwide participate in the NHD contest.

More than 5 million students have gone on to careers in business, law, medicine and countless other disciplines where they are putting into practice what they learned through NHD.

The purpose of the DOD Vietnam War 50th Anniversary Commemoration Program is to thank and honor veterans of the Vietnam War, including personnel who were held as prisoners of war (POW) or listed as missing in action (MIA), for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans.

Advertising Specifications

Weider History can accept digital ads from both Macintosh and Windows platforms. Before submission, please confirm that your application and media are listed below.

FILE TYPE

- EPS—Illustrator, Quark XPress
- TIFF, PDF—PhotoShop, InDesign

Ads created in MS Word, MS Publisher, PowerPoint or any other word-processing program will NOT be accepted. For advertisements prepared in Quark XPress, place the page layout document and all images (use Collect for Output) in one folder. Collect all the fonts, both screen and printer, used in the document and place them in a folder labeled "fonts" inside the document folder. It's critical that you supply all fonts used, even such common ones as Times and Helvetica. Different versions of fonts with the same name from the same foundry have different metrics or kerning pairs, and those differences can cause type to reflow. We will use your fonts exclusively for your ad.

FONTS

We can only accept PostScript Type 1 fonts. If TrueType fonts are used, they must be converted to outlines in Illustrator or a similar program, or embedded within a PDF. Type must not have styles (bold, italic, etc.) applied in the page layout program. The actual (bold or italic) font must be selected.

IMAGES

Photographic: Should be saved in TIFF or EPS format — not JPEG — and must not contain extra channels. The color space should be CMYK or Grayscale. Do not place CMYK images in black and white ads. The maximum ink coverage (C+M+Y+K) is not to exceed 300%. The resolution of images should be between 250 and 400 dpi. Images should not contain embedded transfer functions or halftone screens. Do not use ICC profiles or other color management.

Linework: Should be saved as a bitmap TIFF. Should have an effective resolution of 1200 to 2400 dpi.

VECTOR (EPS, logos, etc.)

Images must be embedded, not linked. Fonts must be converted to outline (preferred) or embedded within the EPS. Do not place EPS files inside of EPS files. Colors: No RGB or Pantone. Must be CMYK. Ink coverage not to exceed 300%.

PROOF POLICY

Black & White: A content proof is required. The proof must be printed at 100% with registration marks. This can be pulled from either a laser or inkjet printer.

Four-Color: Weider requires a content proof for all ads—no exceptions. The content proof (printed at 100% with registration marks and a color bar) can serve as a color proof if it adheres to SWOP standards (a list of SWOP certified proofers can be found at <http://www.swop.org/certification/certmfg.asp>). If a SWOP-standard proof is not provided, Weider can pull one for an additional charge. Weider is not responsible for matching color on ads that do not supply a SWOP standard proof.

SUBMITTING YOUR AD

Ads can be submitted in any of the following ways:

- Mail/Overnight Delivery

For submission by mail or overnight delivery, please send your ad (along with an acceptable proof) to:

Weider History

karen.bailey@weiderhistorygroup.com
Phone: 703-779-8301

- E-Mail

The maximum file size accepted through email is 5 MB. All files submitted via email must be compressed using a program such as Stuffit® or WinZip® applications to compress all files into a single folder. Please send files to Karen Bailey at the above e-mail address. Proofs are still required for ads submitted electronically (see Proof Policy for requirements).

- FTP (File Transfer Protocol)

FTP is a simple way to transmit large files over the Internet. It is ideal for advertisers with high-speed Internet connections to send revised or last-minute files in time to meet press dates. We recommend the use of Stuffit® or WinZip® applications to compress all files into a single folder. Proofs are still required for ads submitted electronically (see Proof Policy for requirements).
